Mustang News

Choir Performs at CMEA

On Wednesday, January 28, the Kinard Middle, Zach Elementary, and Traut Elementary Choirs joined together as the *Voices of Core Knowledge* to perform at the Colorado Music Education Association (CMEA) Clinic/Conference at the Broadmoor in Colorado Springs. Nearly 160 talented singers, ages 8–14, represented our district in this prestigious event. Performing at CMEA is a rare honor—often compared to “making state” in the music world—and choirs may only audition once every three years. We are incredibly proud of our students and Mr. Wheeler for earning this exciting and well-deserved opportunity!

Spelling Bee Winner Progresses to the State Bee

For a fourth straight year, Kinard student Nikhil Ganta has been named the champion of the Poudre School District Spelling Bee! Nikhil won the 2026 title after correctly spelling “panacea” during the competition held at the PSD Johanness Support Services Center on January 23.

Nikhil and 10 fellow PSD students will move on to compete in the Colorado State Spelling Bee. The online spelling and vocabulary test will be held on February 19 with the live competition following on March 7 at Sturm Hall on the University of Denver campus.

A big thanks to Mrs. Springett for organizing our Kinard Spelling Bee each year! Can you spell A-M-A-Z-I-N-G?

Seeking Parent Volunteers

It is hard to imagine that it is already time to start planning for our spring events, but here we are! Would you consider helping with these activities? If you have questions about any of this information, please text/email Virginia Chevalier at (303) 257-6578/ virginia@summit-hm.com or email/call Cecilia Bonertz at cbonertz@psdschools.org/ 970-488-5407.

If you are not already a registered Kinard volunteer and are signing up to help within the building, please complete [these steps](#) to ensure you are approved before volunteering.

- Counselor Appreciation - We are so fortunate to have two of the best! Karen Irvine and Patti Young have a tremendous impact on our students, and they also make our work environment more positive and healthy. Please help us show our appreciation during **Counselor Appreciation Week (February 2-6)** by emailing or calling your child's counselor to share words of gratitude. Your words mean more than you may know!
- Classified Staff Appreciation – As part of **Classified Appreciation Week**, we are planning to celebrate our amazing classified staff (office staff/secretaries, custodians, paraprofessionals, child nutrition team, etc.) during the week of **February 2-6**. Part of our festivities include a luncheon for all staff on February 4. If you are interested in helping provide or serve food, please [sign up here](#).

Seeking Parent Volunteers

continued

- CMAS Treats – It is a tradition for us to provide treats for our students twice during our CMAS testing. More information about the schedule will be provided, but we will complete all assessments during the weeks of April 6-10 and April 13-17. If you are willing to help package and organize treats on **April 8**, please [sign up here](#).
- Teacher Appreciation – More information about **Teacher Appreciation Week (May 4-8)** will be sent later, but we would like to start thinking about small gifts for our staff. If you work for or know of a business that would be willing to donate about 90 of the same small gift, we would love to connect with them. Please contact Cecilia Bonertz (cbonertz@psdschools.org) if you have ideas or contact information.
- Wellness – We have a robust wellness program for our staff and encourage participation through wellness raffles. If you work for or know of a business that would like to donate small prizes or gift cards for these raffles, please contact Jacob Benson (jbenson@psdschools.org) or Karen Irvine (kirvine@psdschools.org).
- Spring Events - More information will be coming this spring about our need for parent volunteers for our other spring events, including Teacher Appreciation Week (May 4-8), a Spring Social Event (May 7), our 8th Grade Celebratory Activities (May 26), and our last day of school (May 27).

Course Selection for 2026-27

Attention current 8th graders and families! 8th graders received high school course registration forms on Thursday, January 22, and you received an email on January 23 with some valuable information regarding course selection for 9th grade. If your student did not get a registration form from one of our comprehensive high schools, please have them see Ms. Irvine or Mrs. Young in the Student Services Office.

High school counselors will be back at Kinard on Thursday, February 5 to talk with students individually and collect those forms. Students should have their forms completed, signed, and with them on February 5. High schools prefer that you turn in forms through the middle schools. If your student will be absent on February 5, please have them turn in their course selection form prior to this date to our Student Services office.

If your 8th grader is not going to one of PSD's comprehensive high schools, you may want to contact their high school for registration information.

Please feel free to contact Patti Young (students with last names A-G) at 970-488-5406 or pyoung@psdschools.org or Karen Irvine (students with last name H-Z) at 970-488-5408 or kirvine@psdschools.org with any questions.

Attention current 6th and 7th graders and families! Course selection forms for next year are due in the Student Services office no later than Thursday, February 5. Counselors have presented materials to both grade levels in late January. If your student has not received a course selection packet, please have them stop by the Student Services office as soon as possible, refer to the email sent with additional information, or [visit our website](#) for electronic copies of the course selection forms.

Please feel free to contact Patti Young (students with last names A-G) at 970-488-5406 or pyoung@psdschools.org or Karen Irvine (students with last name H-Z) at 970-488-5408 or kirvine@psdschools.org with any questions.

Kinard Middle School

Spring Parent/Teacher Conferences

We will be scheduling parent/teacher conferences after school on Thursday, February 12. Kinard teachers will reach out directly to any families if a teacher feels there is a need to meet. We have a limited amount of time for second semester conferences; however, if you have a specific question, concern, or need to meet, please [reach out to the teacher directly](#).

As always, [ParentVUE](#) provides important information about your child's work habits and academic progress. In addition, if you have an immediate need to communicate, please reach out to your child's teacher, counselor, or a Kinard administrator.

Vision & Hearing Screening

Our annual Vision and Hearing Screening will be on **Friday, February 6, 2026**. And we could use your help that morning!

All 7th graders will be screened during 1st period, and we need about 16 volunteers that morning from 7:45 – 10:45 a.m. to ensure a smooth and efficient screening.

No prior experience is necessary- a quick training will be provided that morning. If interested, please follow the below instructions:

1. Login to your Volunteer Portal through this link: <https://apps.raptortech.com/Volunteer/Login/NjA0MzpWb2x1bnRlZXI6ZW4tVVM=>
2. When logged in, click on Events within the Navigation Menu (Kinard is on Friday, Feb. 6th)
3. Review the details of the Event you wish to sign up for and click "SignUp". If you have never volunteered in PSD, please visit <https://www.psdschools.org/community/volunteers> to register.

Please email Abbie Tusing, Health Tech, at atusing@psdschools.org or Jena Gilbert, School Nurse, at jgilbert@psdschools.org if you have any questions about the screening and volunteers@psdschools.org if you have any questions on signing up.

Kinard Middle School

School Accountability Committee Meeting

Our third quarter School Accountability Committee (SAC) meeting will be held on **Monday, February 23, from 3:30 - 4:30 in the Kinard Media Center.** The Kinard School Accountability Committee meets four times per year, approximately quarterly. The SAC is a wonderful opportunity to enhance our partnership with parents through an organized group composed of both parents and teachers at Kinard. The SAC has a very specific focus, established by the Colorado Department of Education and Poudre School District. Primary topics for analysis and discussion will include budget allocation and Kinard's Unified Improvement Plan (UIP). Other topics that may be discussed in this committee include but are not limited to: parent involvement, student transitions, curriculum, instruction, assessment, systems for support, communication, technology, leadership, decision-making, positive behavior support, and school-wide capacity building. We welcome any parent to attend our next meeting, even if you were unable to join our previous meetings.

2026 CMAS Assessment Window

Please mark your calendars! The 2026 CMAS Assessment window is April 6th - 23rd. All students will take 3 English Language Arts assessments and 3 Mathematics assessments. Additionally, 8th graders will take 3 Science assessments. Please see the calendar below for a tentative schedule for when each of these assessments will occur. As you plan ahead, we would greatly appreciate you doing your best to avoid appointments or other student absences on these days.

The state assessment system, Colorado Measures of Academic Success (CMAS), is designed to measure student mastery of Colorado's academic content standards. Colorado's academic content standards indicate skills and knowledge necessary to prepare students for success from early school readiness to postsecondary competencies, reflective of both workforce readiness and 21st century skills. Student progress toward these outcomes is measured through CMAS, which provides information to teachers as they incorporate the content standards in their daily instruction. CMAS results are also used for school and district accountability.

We will send a more detailed and specific calendar of testing days as we get nearer to the assessment window. If you have questions about the CMAS assessments, please contact Cecilia Bonertz, School Assessment Coordinator, at cbonertz@psdschools.org or (970) 488-5407.

Student Scooters

For several years, we have been able to allow students to bring their scooters (electric or otherwise) inside to store them throughout the school day. Unfortunately, we are no longer able to sustain this practice. We have made a change, effective Monday, January 26, and all scooters must be parked outside. We have an increasing number of scooters that are brought inside and parked in the music hallway. We can no longer provide the space in the hallway to accommodate the number of scooters each day. Moving forward, all students should park and lock their scooter to a bike rack outside. We announced this change to students in late January.

In addition, we also took time to remind students who ride a bike, skateboard, or scooter to school each day to use the sidewalks when they are on school property. We reminded them to stop and get off of their bike, skateboard, or scooter once they are on the sidewalks connected to the school. We want to avoid and/or minimize the opportunity for accidents. We have observed many students on their bikes, skateboards, or scooters riding too fast next to cars or students walking.

Thank you for your cooperation and support.

SRO Corner

School Threats: What to Do if Your Child Witnesses One

In this day and age, we unfortunately hear and see a lot of disturbing things, whether it is in person, on TV, or on social media. We can sometimes forget that our children often see these things as well. We wanted to remind parents of best practice surrounding what to do if you hear or see something that isn't right, but more specifically school threats.

In most cases where there was a school shooting, there was some sort of warning that the suspect would give. In years past, it usually came through a social media post. Kids tend to engage on social media apps that some adults may not, giving them a unique way to view information that adults may not have. It is important to talk with your kids and make sure they know it is safe to talk to you and other adults about these topics.

The message we tell everyone is "[see something, say something](#)". Each student should know how to access Safe2Tell, which is an anonymous tipline. These tips come directly to your student's School Administrative team, SRO, and our 911 Dispatch Center. Because there can be a lag in time to respond to Safe2Tell, we ask that if it is emergent and there is an imminent threat to the school, tell the SRO immediately or any adult in the school. If it is outside of school hours, please call 911.

We take all threats to our schools very seriously, whether it is a joke or real. If your child happens to witness this, please talk with them about reporting and gathering as much information as possible. Taking screenshots or videos of the information is very helpful to SROs in identifying and contacting the person posting. Keep in mind that if you choose to report on Safe2Tell, we cannot reach out for more information unless you provide it within the tip, as it is anonymous. Providing as much information as possible is key in preventing these catastrophes from happening. School safety is the responsibility of all of us; it takes a team. Thank you for your time and cooperation with keeping our kids safe!

Kinard Middle School

Summer School Option for 8th graders

PSD offers an Online HS Summer School option for all PSD graduating 8th graders to seniors. This includes students entering PSD in the 25-26 school year. Students can take multiple courses but will complete one at a time. Information about this year's PSD HS Summer School offerings can be found here: summer.psdschools.org

Summer School will be offered in two sessions.

- Monday, June 1 - 8:00 a.m. - Friday, June 26 – 3:00 p.m.
(Registration open May 2)
- Monday, June 29 - 8:00 a.m. - Friday, July 24 - 3:00 p.m. (Registration open June 20)

If you have any questions, you can contact Kinard's school counselors:

Patti Young (last names A-G) at pyoung@psdschools.org or 970-488-5406

or Karen Irvine (last names H-Z) at kirvine@psdschools.org or 970-488-5408

Student Chat Changes in Microsoft Teams and Google Chat

As part of PSD's ongoing review of digital tools and software platforms, District IT staff have adjusted student chat features in Microsoft Teams and Google Workspace to better support instructional use and compliance with District expectations.

As of Monday, December 22, students will no longer be able to self-initiate direct chats or video conferences on these platforms. Students will continue to have access to use chat and collaboration features within teacher-managed and rostered course spaces in both platforms.

First Semester Honor Roll

We are pleased to announce our Honor Roll recipients for the 2025 fall semester. We congratulate the students below for their hard work and effort to maintain high levels of academic excellence throughout the first semester!

To make the Kinard Honor Roll each semester, students must have all proficient grades (final semester score of 3 or higher) and over half of grades must be advanced each semester. An advanced grade means a class score of a 4 in middle school classes or an A in high school courses (French 1B and 2, Spanish 1B and 2, Algebra 1, Geometry, and Algebra 2). Students who achieve the impressive goal of advanced grades in every class for each semester are indicated with an asterisk on the Honor Roll List

To see all your child's grades for the first semester, you can access their report card through [ParentVUE](#). Click on the "Documents" tab. At the top of the report, click the link that says "2025-2026 S1 Report Card".
