Mustang News

Science Bowl Regional Competition

They did it! Mrs. Eitsert and this amazing group of students have been hard at work all year as they studied for the Science Bowl competition. All those hours paid off, as the Kinard team won the Regional Competition in late January. We're so proud of them and very thankful to Mrs. Eitsert for taking on this challenge with them. They'll be headed to the National Science Bowl Competition in Washington, D.C. in April. Way to go, Mustangs!

Madrigal Dinner

While it was postponed a month later than usual, the 18th anniversary of Kinard's Madrigal Dinner was just as spectacular as always! And with two full-length shows again this year, it was bigger and better than ever. What an amazing display of our fine arts and music programs! The music, acting, food and drink were nothing short of spectacular. The Madrigal Dinner is a "Renaissance Fair-type" production set in 16th century England where the patrons enjoy a 4-course meal, and the actors/musicians perform all around the dinner setting. It is a collaborative production, put on by the drama and music programs at Kinard and directed by Mr. Wheeler. Thank you to the teachers, custodians, kitchen staff, all the drama students, musical performers, parent volunteers, and everyone involved for all your hard work and fabulous performances!

Spelling Bee Winner Progresses to the District Bee

Can you spell *crescendo* or *sentient*? Well, two Kinard students can! In a heart-racing competition, Amaaya Bhandari and Olivia MacLeod tied for champion speller of Kinard in our school spelling bee in December. The students then faced off in a head-to-head round of spectacular spelling in January, and in a close finish, Olivia emerged as the top speller of Kinard. Olivia will now progress to the District Spelling Bee where she will face off against other PSD star spellers for a chance at the state competition. Good luck, Olivia! A big thanks to Mrs. Springgett for organizing our Kinard Spelling Bee each year! Can you spell A-M-A-Z-I-N-G?

A migraine clinical trial for children & teens

By participating in this migraine trial your child can help doctors and scientists learn if a study medicine, called rimegepant, can prevent migraine attacks in children and teens.

Participants in this trial will receive care from a team of dedicated medical professionals.

Ready to learn more?

Contact the trial team:

Advanced Neurology of Colorado

Research Team: 970-237-9141

We are enrolling children and teenagers 6-17 years of age who*:

Have been diagnosed with migraine for at least 6 months by a healthcare provider

Experience migraine on 6 or more days per month

Have migraine attacks that last for 4 to 72 hours, on average, when they are not treated

Participation in the initial phase of the trial will last for about 6 months. Participants may also have the opportunity to receive the study medicine for an additional 12 months

*Further eligibility criteria will apply. Some ages may not be currently enrolling. Please contact the trial team to see what ages are currently enrolling.

Seeking Parent Volunteers

While the recent cold temperatures might make it feel too early to think about our spring events, we are ready to start planning and need your support. Would you consider helping with these activities? If you have questions about any of this information, please contact Cecilia Bonertz, Academic Dean, at 970-488-5407 or cbonertz@psdschools.org.

- Counselor Appreciation - We are so fortunate to have two of the best! Karen Irvine and Patti Young have a tremendous impact on our students, and they also make our work environment more positive and healthy. Please help us show our appreciation during Counselor Appreciation Week (February 3-7) by emailing or calling your child's counselor to share words of gratitude.
- Classified Staff Appreciation – As part of Classified Appreciation Week, we are planning to celebrate our amazing classified staff (office staff/secretaries, custodians, paraprofessionals, child nutrition team, etc.) during the week of February 10-14. Part of our festivities include a luncheon for all staff on February 12. If you are interested in helping provide or serve food, please sign up [here](#).
- CMAS Treats – It is a tradition for us to provide treats for our students twice during our CMAS testing. More information about the schedule will be provided, but we will complete all assessments during the weeks of April 7-11 and April 14-16. If you are willing to help package and organize treats on April 8, please sign up [here](#).
- Teacher Appreciation – More information about Teacher Appreciation Week (May 5-9) will be sent later, but we would like to start thinking about small gifts for our staff. If you work for or know of a business that would be willing to donate about 90 of the same small gift, we would love to connect with them. Please contact Cecilia Bonertz (cbonertz@psdschools.org) if you have ideas or contact information.
- Wellness – We have a robust wellness program for our staff and encourage participation through wellness raffles. If you work for or know of a business that would like to donate small prizes or gift cards for these raffles, please contact Jacob Benson (jbenson@psdschools.org) or Karen Irvine (kirvine@psdschools.org).

Kinard Middle School

Seeking Parent Volunteers

continued

- Spring Events - More information will be coming this spring about our need for parent volunteers for our other spring events, including Teacher Appreciation Week (May 5-9), a Spring Social Event (May 8), our 8th Grade Celebratory Activities (May 28), and our last day of school (May 29)!

If you have questions about any of this information, please contact Cecilia Bonertz, Academic Dean, at 970-488-5407 or cbonertz@psdschools.org.

High School Course Registration

Attention current 8th graders and families! 8th graders received high school course registration forms on Thursday, January 23. If your student did not get a registration form from one of our comprehensive high schools, please have them see Ms. Irvine or Mrs. Young in the Student Services Office.

High school counselors will be back at Kinard on Thursday, February 6 to talk with students individually and collect those forms. Students should have their forms completed, signed, and with them on February 6. High schools prefer that you turn in forms through the middle schools.

If your 8th grader is not going to one of PSD's comprehensive high schools, you may want to contact their high school for registration information.

Please feel free to contact Patti Young (students with last names A-G) at 970-488-5406 or pyoung@psdschools.org or Karen Irvine (students with last name H-Z) at 970-488-5408 or kirvine@psdschools.org with any questions.

Spring Parent/Teacher Conferences

We will be scheduling parent/teacher conferences after school on Thursday, February 13. Kinard teachers will reach out directly to any families if a teacher feels there is a need to meet. We have a limited amount of time for second semester conferences; however, if you have a specific question, concern, or need to meet, please [reach out to the teacher directly](#).

As always, [ParentVUE](#) provides important information about your child's work habits and academic progress. In addition, if you have an immediate need to communicate, please reach out to your child's teacher, counselor, or a Kinard administrator.

Kinard Middle School

Vision & Hearing Screening

Our annual **Vision and Hearing Screening** will be on **Friday, February 7**. All 7th graders will be screened during 1st period, and a select group of 6th and 8th graders will be screened during 3rd period. If your student uses glasses, contacts, or hearing devices, please be sure they have them at school on Friday, 2/7 please.

We need about 16 volunteers that morning from 7:45 – 10:30 a.m. to ensure a smooth and efficient screening. No prior experience is necessary; a quick training will be provided that morning.

If interested, please follow the below instructions:

1. Login to your Volunteer Portal through this link: <https://apps.raptortech.com/Volunteer/Login/NjA0MzpWb2x1bnRlZXI6ZW4tVVM=>
2. When logged in, click on Events within the Navigation Menu (Kinard is on Friday, Feb. 7th)
3. Review the details of the Event you wish to sign up for and click “Sign-Up”.

If you have never volunteered in PSD, please visit <https://www.psdschools.org/community/volunteers> to register. Please email Abbie Tusing, Health Tech, at atusing@psdschools.org if you have any questions about the screening and volunteers@psdschools.org if you have any questions on signing up.

2025 CMAS Assessment Window

Please mark your calendars! The 2025 CMAS Assessment window is March 31 – April 25. All students will take 3 English Language Arts assessments and 3 Mathematics assessments. Additionally, 8th graders will take 3 Science assessments. Please see the calendar below for a schedule for when each of these assessments will occur. As you plan ahead, we would greatly appreciate you doing your best to avoid appointments or other student absences on these days.

2025 CMAS Assessment Window

continued

The state assessment system, Colorado Measures of Academic Success (CMAS), is designed to measure student mastery of Colorado’s academic content standards. Colorado’s academic content standards indicate skills and knowledge necessary to prepare students for success from early school readiness to postsecondary competencies, reflective of both workforce readiness and 21st century skills. Student progress toward these outcomes is measured through CMAS, which provides information to teachers as they incorporate the content standards in their daily instruction. CMAS results are also used for school and district accountability.

We will send a more detailed and specific calendar of testing days as we get nearer to the assessment window. If you have questions about the CMAS assessments, please contact Cecilia Bonertz, School Assessment Coordinator, at cbonertz@psdschools.org or (970) 488-5407.

Science Olympiad Regional Tournament- Sat. 3/1

The Northern Colorado Regional Tournament for Science Olympiad is coming up on Saturday, March 1 at Fossil Ridge High School. Families are welcome to come and observe the live competitions for the build events, including Mission Possible, Air Trajectory, Tower, Helicopter, and Scrambler. The observation of events may range from 9 a.m. -4 p.m. If families would like more information about which Science O students are competing at what times or other details, please contact Kinard's Science Olympiad Coordinator, Kayla Murphy, at kaylam@psdschools.org. This year, Kinard will have FOUR teams competing at regionals with the goal of advancing to the State Science O Competition on Saturday, April 5. Our Science O students and coaches have worked extremely hard in preparing for these tournaments. See below for a peek into their preparation during a recent science night. Good luck at the regional competition, Mustangs!

Social Media Safety Course

Join PSD School Resource Officers Savage and Stratton for a presentation for teens and adults on safe social media practices. See the flyer for details!

School Resource Officers Dane Stratton (Teens) and Meg Savage (Adults) present:

Social Media Safety: Protecting Teens and Families

Tuesday, February 4th, 2025
5:30-6:30PM
Preston Middle School
4901 Corbett Drive

Adult Class:

- Understanding online risks and current trends
- Tools to protect children and monitor digital behavior
- Managing privacy settings and digital footprints

Teen Class:

- Smart social media habits and privacy tips
- How to spot and avoid online dangers
- Protecting your reputation online

SRO Corner: Avoid Being Scammed!

Scammers have become more sophisticated and use a variety of techniques that come across as legitimate text messages, emails, or phone calls. Most recently, several Denver area residents were scammed by a fictitious parking payment request that appeared real, even including a city watermark on the form.

Avoiding scams means staying vigilant and informed. Always verify the authenticity of requests for personal information especially those made via phone calls, emails, or text messages. Scammers often impersonate trusted entities like banks or government agencies. Look for red flags such as requests for urgent or immediate payment, threats of legal action, or offers that seem too good to be true. Research unfamiliar companies or individuals before providing any information and never click on any suspicious links or open any attachments.

Practicing good cybersecurity habits can also protect you from scams. Use strong, unique passwords for every one of your accounts. Use caution when connecting to public Wi-Fi networks and keep your devices updated. Always be cautious on social media and report any suspicious activity.

Kinard Middle School

Summer School Option for 8th graders

PSD Online HS Summer School is almost here and will remain free to all PSD graduating 8th graders to seniors. This includes students entering PSD in the 25-26 school year. Students can take multiple courses but will complete one at a time. Information about this year's PSD HS Summer School offerings can be found here: summer.psdschools.org

Summer School will be offered in two sessions.

- Tuesday, April 1 - 8:00 am - Thursday, May 22 – 3:00 pm (Registration open March 3)
- Monday, June 2 - 8:00 am - Friday, June 27 - 3:00 pm (Registration open May 20)

If you have any questions, you can contact Kinard's school counselors:

Patti Young (last names A-G) at pyoung@psdschools.org or 970-488-5406

or Karen Irvine (last names H-Z) at kirvine@psdschools.org or 970-488-5408

Health Office News

Please join us in welcoming a new member of our Mustang staff! Abbie Tusing has recently been hired as our new Health Tech at Kinard. Abbie has experience working in the medical field in a variety of settings and has always had a passion for working with kids. She is thrilled to join the Kinard community!

As the winter germs become more plentiful, we wanted to remind families of the PSD practices to avoid illness and keep us all healthy. If your student feels ill in the morning or goes home sick from school, please refer to the "How Sick Is Too Sick" guidelines that Poudre School District currently follows and visit the [PSD health services website](#) for more information if needed.

- ["How Sick is Too Sick" Guidelines](#)
- [¿Cuál es el punto en que uno está demasiado enfermo?](#)

If your student is experiencing fever, diarrhea, and/or vomiting, they must be **24-hours symptom free without medication from their last episode** to return to school.

Kinard Middle School

Health Office News

continued

If symptoms are explained by a specific illness please see criteria for exclusion from school in the CDPHE [Infectious Disease Guidelines in Childcare and School Settings](#).

If you have any questions regarding immunizations, medication, or health needs for Kinard during the school year, please contact:

-Abbie Tusing, Kinard Health Tech, atusing@psdschools.org, at Kinard daily

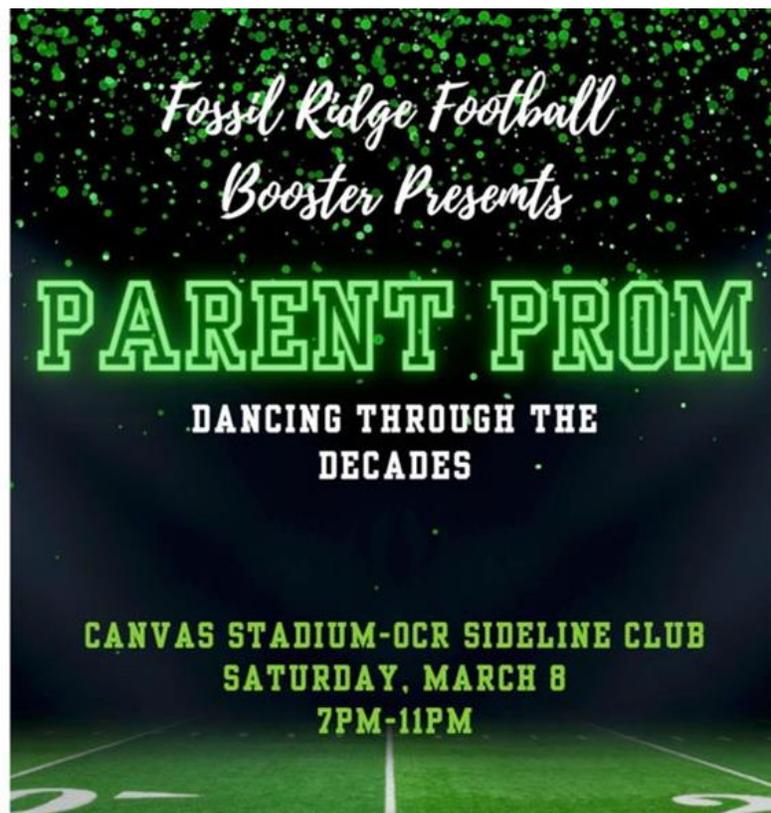

-Jena Gilbert, PSD School Nurse, jgilbert@psdschools.org, typically at Kinard on Fridays

First Semester Honor Roll

We are pleased to announce our Honor Roll recipients for the 2024 fall semester. We congratulate the students below for their hard work and effort to maintain high levels of academic excellence throughout the first semester!

To make the Kinard Honor Roll each semester, students must have all proficient grades (final semester score of 3 or higher) and over half of grades must be advanced each semester. An advanced grade means a class score of a 4 in middle school classes or an A in high school courses (French 1B and 2, Spanish 1B and 2, Algebra 1, Geometry, and Algebra 2). Students who achieve the impressive goal of advanced grades in every class for each semester are indicated with an asterisk on the Honor Roll List.

To see all your child's grades for the first semester, you can access their report card through [ParentVUE](#). Click on the "Report Card" tab. At the top of the report, click the link that says "Click here to view report card for Semester 1".
