### **Is it possible for a 7<sup>th</sup> grader to postpone starting a World Language course until their 8<sup>th</sup> grade year?**

- No, World Language is required for all 7<sup>th</sup> grade students.

### **Where are students placed if they have prior extensive experience with a language?**

    - The 1B entrance assessment will require students to proficiently read, write, listen, and speak in the target language. The entrance assessment will be administered for incoming 7<sup>th</sup> grade students who meet the necessary requirements during the first few weeks of school; assessment times will be determined per teacher/student request and availability. Students must earn a score of proficient on the entrance assessment in order to enroll in a 1B course as a 7<sup>th</sup> grade student.

**Note:** The following courses offered at the middle school level are the equivalent of a high school course and count toward the student's GPA and high school graduation requirements.
