### Science O State Competition

This year, our incredible Kinard Science Olympiad students poured their hearts and minds into competing at high levels! With dedication, determination, and countless hours of preparation, our teams pushed themselves further than ever before.

At the Colorado State Science Olympiad Tournament in early April, Kinard's Gold Team earned an impressive 3rd place overall. The Gold Team didn't just place—they dominated, finishing in the top three in 10 out of 23 events, with an incredible FIVE 1st place finishes! Their success was a testament to their perseverance, teamwork, and passion for science. Our Blue Team also made waves, finishing 4th overall and placing in four events, showcasing Kinard's depth of talent and the strength of our entire program.

We could not be prouder of our Mustangs. Their resilience, sportsmanship, and relentless pursuit of excellence represent everything we value at Kinard. Please join us in congratulating every Science O student who competed this year and our incredible coaches who helped them all season! Your hard work has inspired us all, and we cannot wait to see what you'll achieve next.

### Science Bowl National Competition

Mrs. Eitsert, Mr. Furtner, and our five-student Science Bowl team traveled to the National Competition in Washington, D.C. recently. It was an unforgettable trip for these young scientists as they competed with quality, toured the US Department of Energy, and even met with Chris Wright, a native Coloradoan and the current Secretary of Energy. Way to go, Mustangs!

### Orchestra News

Symphony Orchestra performed beautifully at Metropolitan State University's King Center in Denver on April 10 at the CASTA State Festival! Their clinician, Dr. Brenda Brenner from Jacobs School of Music in Indiana, said they were "one of the finest middle school orchestras (she's) ever heard"! After the festival, the Symphony skipped their way through downtown Denver on a lovely evening for a celebratory dinner at a local restaurant.

The Orchestra also held our annual Solo & Ensemble Festival on Saturday, April 12 with nearly 70 separate performances involving nearly 120 student musicians! The three judges commented on how well-prepared students were and were especially pleased with how responsive the students were to the feedback and how quickly they learned.

Mrs. Griffey is very proud of the students who showed their developing musical skills by performing solos and ensembles with greater independence!

Congratulations, Mrs. Griffey and our Mustang musicians!

### Give Next Grant Awards

Our Give Next students hosted their Grant Awards Ceremony recently where they honored the following non-profits that are concerned with improving the lives of children with disabilities: [Loveland Youth Gardeners](#), [Respite Care Inc.](#) and [NoCo Down Syndrome Association](#). It was an amazing celebration of our students' hard work and a great summary of how they developed their mission statement this year and worked through a collaborative decision-making process to determine how to award the funds they raised and received. We are very proud of these young philanthropists and appreciative of Mrs. Flemming and Mrs. Grigg for supporting them through this year-long process.

### Kinard's Global Leadership Travels to Costa Rica!

In late March, Kinard's 8th grade Global Leadership class traveled to Costa Rica for a service learning and adventure trip. The group of 31 traveled to various locations throughout the country including San José, Sarapiquí, Arenal, and Guanacaste. During the journey, they took part in several different activities such as learning about the history of chocolate in the Tirimbina Reserve, white water rafting on the Sarapiquí river, snorkeling, visiting some geothermal pools, and much more. Students had the chance to serve the community by coordinating the construction of a new bathroom for students with disabilities at the Tortuguero elementary school. The students also cleaned up trash, painted walls, cleaned up a beach, and played hours of soccer with the local kids. This taught students the importance of giving when you can, and that "we" is more important than "me." The students also got to try many local foods and learned about the vibrant Costa Rican culture and the basics of Spanish. The students were a little hesitant at first, but once they got comfortable, they almost became fluent. All in all, the Global Leadership class learned important lessons about culture, sustainability, "we" first and, thanks to the trip, they became a true family.

### **Student Leadership: Kinard C.A.R.E.S. Service-Learning Adventure Trip**

In April, our Kinard C.A.R.E.S. semester-long classes traveled to Catalina Island to participate in an environmental program off the coast of California. Kinard shares a vision of raising environmental awareness while making a difference in our local community. The aim of this class trip is to provide students with authentic and engaging learning experiences that reflect the civic responsibilities that the students will face as citizens in the real world.

While on the island, students engaged in an experiential-based outdoor learning curriculum that taught them important principles about the environment. Using one of the most diverse ecosystems on the planet as their classroom, students explored a local watershed and cove and climbed high mountain peaks to learn about healthy ecosystems and to develop interpersonal leadership skills.

While the trip was filled with recreation and adventure, it was far from a vacation. Students participated in a variety of service-learning projects to enhance the Catalina Island community. The primary objective of the service-learning component was an ongoing ecological restoration project designed to help protect the biodiversity on the island. Students removed invasive species and planted new native plants as a part of the regenerative process that Kinard students have been a part of for the past 16 years on the island. Another service project taught students about healthy food choices and composting principles while working in the organic garden on the island.

In addition to learning about sustainable environmental practices, students enhanced their leadership skills and personal growth through team-building activities that included ocean kayaking, hiking to and exploring Parsons Landing, and night snorkeling.

### Staff Recognitions

April was a month of honoring some deserving Kinard staff members! Social Studies teacher Nicole Darrow and Assistant Principal Erin LaRue were both recognized as nominees at the PSD Celebrates event in late April. And Spanish teacher Leslie Husted was honored as the Rotary Teacher of the month at a breakfast last month as well. We are so proud of these incredible Mustangs! They represent the amazing things that our staff does each and every day to support our students and ensure high levels of learning for all!

### 8th Grade Career Fair

Thank you to the over 35 career presenters that joined us Tuesday, April 29<sup>th</sup> to give our 8<sup>th</sup> graders a chance to tap into real world knowledge, learn about a variety of career paths, and gain insights to what they might pursue in high school to continue exploring their interests. Thank you to the teachers and administrators for giving the students time to explore during the school day and to Mrs. Irvine and the Student Services team for coordinating the event.

### **Spring Community Extravaganza: May 8, 5:00-7:00 PM**

We are excited to invite Kinard's students, families, and staff to come together to build connections and community during our **Kinard Spring Food Truck & Student Social on Thursday, May 8, from 5:00 to 7:00 PM**. Because we want YOU to enjoy this event, we are only asking for limited volunteers who can sign up [here](#). In addition, we always appreciate when adults see a need and step up to help! Specifically, please feel free to come grab a trash bag and wander amongst the students for an extra level of supervision. Please bring your own blankets, chairs, and sun and/or rain covers and plan to enjoy a plethora of food trucks, a DJ, a student organized dance party, a fundraiser featuring a dunk tank and pies in the face, and a space to create and/or drop off cards for Teacher Appreciation Week. We plan to gather in the Kinard courtyard and athletic fields and celebrate with music, snacks, and general fun! This event is only open to Kinard students and families. If you have any questions, please contact Cecilia Bonertz at [cbonertz@psdschools.org](mailto:cbonertz@psdschools.org) or 970-488-5407. See you there!

### **Teacher Appreciation Week: May 6-10**

Let's celebrate our hardworking teachers! Please sign up [here](#) to help celebrate our teachers during the week of May 5<sup>th</sup>.

- **Monday, May 5: Coffee cart and yogurt bar**
  - ◇ Thanks to everyone who donated and helped to coordinate the yummy yogurt bar to kick off a great week of appreciation!
- **Thursday, May 8: Card creation and drop off station**
  - ◇ As part of our Community Extravaganza, we will have a space set up for parents and students to create and/or drop off notes of appreciation. Rather than finding undelivered cards in your child's backpack on the last day of school, you are welcome to drop them off and we will deliver them to staff on Friday, May 9.
- **Friday, May 9: Taco Bar Lunch**
  - ◇ We would like to celebrate our teachers with a delicious taco bar! We will need to have luncheon food dropped off in the main office by 10 AM so everything can be set up in time for the first lunch!
- If you need to arrange other drop off details or have questions, please contact Virginia Chevalier [virginia@summit-hm.com](mailto:virginia@summit-hm.com).

### 8<sup>th</sup> Grade Celebration

Parents of 8<sup>th</sup> graders, please save the date of Wednesday, May 28<sup>th</sup> for our traditional 8<sup>th</sup> Grade Celebration event this year. This is one of our most anticipated events of the year! Please join us as we recognize the accomplishments of our 8<sup>th</sup> graders and celebrate their contributions to Kinard as they transition to high school. Please note, we will host the event in the gymnasium of Fossil Ridge High School to allow for more space and seating.

Thank you for your continued time and effort to make this a special event for all! Please contact Erin LaRue, Assistant Principal, at [elarue@psdschools.org](mailto:elarue@psdschools.org) if you have specific questions about the event.

### **Technology Check-In: May 22 & 23**

We will be checking in district devices and materials from students on May 22 and 23. Please remind your students to bring the following equipment to school on Wednesday, May 22, and Thursday, May 23:

- laptop (if lost, please pay the \$499 replacement fee to Theresa Varn-[tvarn@psdschools.org](mailto:tvarn@psdschools.org) or 970-488-5405)
- laptop charger (if lost, please pay the \$26 replacement fee to Theresa Varn- [tvarn@psdschools.org](mailto:tvarn@psdschools.org) or 970-488-5405)
- laptop case (if assigned)
- MiFi (if assigned)

Please remind your students to remove any stickers from their laptop and save files to either a thumb drive or as a Google doc prior to turning in technology equipment. Files saved locally on laptops will be wiped over the summer. If your student will not be here on the scheduled collection days, they must return their equipment on their last day of attendance. Thank you for helping your students with this responsibility.

### **Kinard Library Books Due Back to the Media Center on Thursday, May 15<sup>th</sup>**

Kinard has many big readers under our roof! Please help your student to remember to bring back books they have checked out from the Kinard media center. All media center books are due back by May 15<sup>th</sup>.

### **Last Day of School**

It's hard to believe, but our last day of school for the 2024-25 year is quickly approaching! Thursday, May 29<sup>th</sup> is the last day of school for PSD this year. The 29<sup>th</sup> will have a modified schedule for students, and school will dismiss at 11:40 a.m.

On the last day, we will focus on transitioning our 6<sup>th</sup> and 7<sup>th</sup> grade students to the next grade level with some intentional activities. Our 8<sup>th</sup> grade students' culminating event will be the 8<sup>th</sup> Grade Celebration, hosted at

Fossil Ridge High School the evening before (Wednesday, May 28<sup>th</sup> at 6:30 p.m.). Therefore, we do not require 8<sup>th</sup> graders to attend school on May 29<sup>th</sup>. If any 8<sup>th</sup> grade students choose to attend school on the last half day, they will be expected to remain at school and participate with our 6<sup>th</sup> and 7<sup>th</sup> graders until school dismisses at 11:40.

We will conclude the day with our annual schoolwide outdoor celebration. At that time, students will be able to sign yearbooks, enjoy a snack, and play games on the field (weather permitting). Please make arrangements to pick your child up at 11:40 a.m., and then let the summer begin!

### **Important Yearbook Information**

There is still a limited number of 2024-2025 Kinard yearbooks available for purchase! Make sure that your student doesn't miss out on our yearbook tradition. It's the only book that captures the year's events, activities, friendships, experiences, and memories from Kinard Core Knowledge Middle School. You may place your order for the yearbook at [jostens.com](https://jostens.com). If you have already purchased a book, thank you! If you are unsure, please contact Ally Lonac, Yearbook Advisor, by email at [alonac@psdschools.org](mailto:alonac@psdschools.org). This year's book is one you won't want to miss!

**Yearbook Preparation and Distribution:** The Kinard yearbook team has prepared a wonderful book for us to remember the 2024-2025 school year. If you like singing the alphabet to yourself over and over and over again, come join the Yearbook Staff to sort yearbooks for distribution! No special skills needed. We'll start at 2:30 on Friday, May 23, and it will take 1-2 hours to complete. Any help is greatly appreciated. Please sign up [here](#).

**Kinard Middle School****Looking Ahead to August Registration**

For those families returning to Kinard in the fall, please mark your calendars with the following August Registration dates. Please note, Skillman Photography will not be taking student photos during registration this year. We will have student photos taken later in the month of August during the school day.

<b><u>Monday, August 4<sup>th</sup>:</u></b>	7 <sup>th</sup> and 8 <sup>th</sup> grades	7:30 a.m.-12:30 p.m.
<b><u>Tuesday, August 5<sup>th</sup>:</u></b>	6 <sup>th</sup> grade	7:30 a.m.-11:30 a.m.
<b><u>Tuesday, August 12<sup>th</sup>:</u></b>	Make-up registration, all grades	7:30 a.m.-10:30 a.m.

**School Supplies for 2025-26**

As we look ahead to next school year, we've posted [grade-level supply lists for the 2025-26 school year](#) on our website. Families can purchase these supplies from any retailer using the list linked above.

For added convenience, supply lists are also available on Amazon.com, facilitating an easy shopping experience for families who chose this option. [Click here](#) for the Amazon.com shopping guide and each grade level list.

**Lost & Found Items**

Please note, all unclaimed lost and found items will be donated to a local charity after school ends on Thursday, May 29. If your child has misplaced any belongings at school, be sure they stop by the main office prior to the last day of school to claim them from the lost & found. We currently have quite the collection of water bottles, jackets, and special items, such as earbuds, glasses, phones, and jewelry!

### **Kinard Health Office: End-of-Year Medication and Health Office Supplies Pick-Up**

Parents/guardians, please stop by the health office to pick up medications/health office supplies that have been stored during this school year. Medications **cannot** be sent home with your student. This policy is important to safeguard all students against improper or accidental ingestion of medication.

**All medications & health office supplies need to be picked up before 11:00 a.m. on Thursday, May 29th.**

Due to the number of medications in the health office and the process to sign meds out, please come in any time before May 29<sup>th</sup> to pick up medications. If daily medications are picked up before the last day of school, the number of pills needed for the rest of the year can be counted out and kept in the original container at school. Students that also self-carry can continue to self-carry only. **If your student stored any health supplies in classrooms, please remind them to gather those from staff before the last day of school.**

If you choose not to pick up the medication, our school nurse, Jena Gilbert, will follow state health department procedures and medications will be **properly disposed of and destroyed after 11:40 a.m., which is the dismissal time on the last day of school.** This includes ALL medications (prescriptions, as needed medications, EpiPens, all epinephrine injectors, asthma inhalers, Baqsimi, diabetic supplies, etc.). Medications & forms cannot be saved in the health office over summer break. Thank you for understanding.

If **new medication forms** are needed for the 2025-2026 school year, you may obtain new forms from the PSD website at any time. **New forms are needed every school year and do not carry over.** You can visit the PSD website for more information and for new forms: <https://www.psdschools.org/programs-services/medications-health-action-plans>

High school has a different self-carry form (also located on the PSD website) and you can self-carry more than emergency meds. Please contact the high school you are attending for more information.

For questions, contact Kinard Health Tech Abbie Tusing at (970)488-5441 or [atusing@psdschools.org](mailto:atusing@psdschools.org). Thank you and have a wonderful summer!

## Kinard 2025-26 Athletic Seasons

Now is the time to start thinking ahead to next school year. If your child plans to participate in Kinard athletics, take a look at the year-long sports timelines below and plan ahead for tryouts, practices and games. All athletes must have an up to date physical on file with the school. Summer is a great time to get those appointments in. Kinard will offer optional summer workouts for select sports - an email with information regarding dates and times will be sent later this month.
