Kinard Middle School

Mustang News

Welcome

Dear Kinard Parents,

Welcome to the 2024-2025 academic school year! We hope that you and your child(ren) have enjoyed a relaxing and rejuvenating summer break. Middle school transitions include very intentional planning and processes, which help parents and students at each grade level. As you will notice in this newsletter, we have scheduled important dates, events, and tasks that need to be accomplished in order to help everyone prepare for the start of the new school year.

The core of our mission is to ensure high levels of learning for all students, preparing them for success in high school, college, and beyond. As we challenge students academically with the rigorous Core Knowledge sequence, we also support students with the developmental tasks that are inherent during early adolescence.

In partnership with you, our incredible parents, we strive to serve our students' learning needs and provide them with smooth transitions and challenging learning experiences throughout their middle school years. Please contact us if you have any questions or concerns.

Thank you for joining us at Kinard, and we look forward to an exciting school year!

Respectfully,

Your Kinard Administrative Team

Contribution Fund Projects

Thanks to the generous contributions from our Kinard families over the last several years, we have been able to cover all classroom needs and materials, as well as fund some innovative and exciting new all-school projects. The contribution funds from the previous school year were used to purchase some new lunchroom tables that allow for more inclusive seating, new recess equipment, to contribute to our music equipment refresh to allow all students in our music programs to learn with high-quality

Kinard Middle School

Registration Information

August registration is a very important event for Kinard families. Because it is important for students and their transitions and can be a rewarding social opportunity for both students and parents, we strongly encourage all families to attend in-person registration. However, we are also offering an online option for families unable to attend on the scheduled days.

The registration days and times listed below are “drop-in” times; students and parents are not required to be at registration for the full time. However, we do request that a parent attends with their student. If you have students in more than one grade or cannot attend during the suggested date and time, you may choose to attend on a different day or time. However, please keep in mind these dates and times are designed to spread out attendees, so we appreciate your adherence to the specified time if at all possible.

Please park in the front (south) parking lot and enter through the main doors.

Monday, August 5	7 th and 8 th grades	7:30 a.m.-10:00 a.m. (Suggested for last names A-L) 10:00 a.m.-12:30 p.m.
Tuesday,	6 th grade	7:30 a.m. - 11:30 a.m.
Tuesday, August 13	In-person: Make-up registration All grades	7:30 a.m.-10:30 a.m.

Registration Information

continued

During registration, parents will be asked to update information, pay an annual contribution, drop off health and immunization records, register for athletics, and order yearbooks. Students will receive their class schedules and locker assignments and may access their lockers. School staff will be available to answer questions about schedules, athletics, and life as a Mustang. This year, we will not be taking school photos or distributing school laptops until after school has started.

We are also seeking parent volunteers to help us run our registration events. If you are interested in volunteering at Kinard and available on any of the days listed above, please sign up [here](#).

Here are additional details to help ensure a smooth registration process and an amazing start to our school year!

- **Kinard Contribution Campaign:** In order to fund special projects and student experiences, we request an annual contribution for each student.
 - ◇ Read an [overview and letter](#) from Principal Lindsey Matkin regarding the annual contribution program.
 - ◇ You can make a contribution at registration by credit card, check, or cash. You may also participate ahead of time by [clicking here](#) (SchoolPay may not be updated by the district until after August 1 so try again later if the site shows “item is unavailable”). **You may avoid the service fee by making payments at registration.**
- **SchoolPay, Online Payment System:** SchoolPay is PSD’s online system to allow families to pay for a variety of school-related items, including supplemental food items, athletic participation fees, annual contributions, yearbooks, field trips, and school-related merchandise.
 - ◇ To learn more about SchoolPay, visit the district’s [website](#).
 - ◇ To set up a SchoolPay account, click [here](#).
 - ◇ Colorado’s Healthy School Meals for All Program allows public schools to provide free meals to all students. There will continue to be a charge for supplemental food items.
- **Supply Lists:** Click [here](#) to see our supply lists for all grade levels.
- **Athletics:** Click [here](#) for more information about athletics, the registration process, and required forms. The PSD athletics site is hosted by SportsEngine, and it will continue to be updated between now and the beginning of the sports' seasons. We will also have a representative available at registration to answer questions.
- **Immunizations:** Please bring a paper copy of your student’s most recent, updated immunization records to August registration. Click [here](#) for additional information from our health office about immunizations and medications.

Registration Information*continued*

- **Lockers:** Students will be given locker information and are welcome to stock, arrange, and decorate their lockers during registration. Click [here](#) for guidelines for decorating lockers.
- **Forms:** If you prefer to complete forms prior to the event, we have provided the forms electronically for your convenience below. However, we will also provide all the necessary forms on registration day if you prefer to complete them during registration while at Kinard.

Required forms to complete electronically, print and bring on registration day, or complete in-person on registration day:

- Student Individual Profile: Please log in to [ParentVue](#) and go to “Student Information.” Please verify that all information is accurate. You, as the parent, can edit emergency contacts. If you need to change your address or contact information, you can do that at registration or by visiting our student services office. We will also provide a paper copy of this information for you to confirm.
- [2024-2025 Students Rights & Code of Conduct](#) (click [here](#) to access Student/ParentVUE to read the PSD Code of Conduct): *parents and secondary students must electronically sign and acknowledge they have received and read the Code of Conduct before gaining access to Student/ParentVUE for the year.*
- [2024-2025 District Equipment Use and Acknowledgement of Damage and Loss Charges](#) (click [here](#) to access Student/ParentVUE to read the Use and Acknowledgement form): *parents and secondary students must electronically sign and acknowledge they have received and read the document before gaining access to Student/ParentVUE for the year.*

Optional forms to complete electronically or print and bring on registration day:

- Skillman Photography Order Form: We will not be taking pictures during registration this year. Plan for school pictures on August 20, make-up pictures on August 30, and retakes on October 24. On these days, pictures will be taken of all students but ordering a package is optional. Order pictures on Skillman’s [website](#) or by using this [form](#) and the school code **KCMS2024**. Order forms will also be available during registration.
- SchoolPay: To set up a SchoolPay account, click [here](#).
- Yearbook Online Order Form: Click [here](#) to order a yearbook.
- Kinard Spirit Gear: Click [here](#) to order fun Kinard wear and show your Mustang pride!
- PSD Parent Non-Permission Form: This is optional and not a required form. Click [here](#) to print and complete. If completed, please bring to registration or the front office. We will also have hard copies of the non-permission form available at registration upon request.

Kinard Middle School

Registration Information

continued

We look forward to having a great 2024-2025 school year! If you have questions about registration, please contact Cecilia Bonertz, Academic Dean, at 970-488-5407 or at cbonertz@psdschools.org.

6th grade Transition Day

School for 6th graders begins on Wednesday, August 14 from 8:15 a.m. to 3:10 p.m. This is a valuable and beneficial transition day for our newest mustangs. 6th graders will meet the Kinard staff, become acquainted with the school, begin to connect with new peers, and be mentored by 8th grade WEB leaders. School starts for 7th and 8th graders on Thursday, August 15. 6th grade families will receive a detailed email about this transition day soon. If you have questions about the 6th grade transition day, please contact Karen Irvine, counselor, at kirvine@psdschools.org or (970)488-5408.

Student Cell Phone Use at School

This year at Kinard, we will be working together collectively as a staff to ensure our cell phone policy and expectations are more clear and consistent. We will share additional information in the early fall.

In accordance with [PSD Board Policy JICJ](#): Student Possession and Use of Personal Communication Devices, the use of cell phones or any other electronic device will not be permitted during school hours at Kinard. Our purpose is to ensure that students focus on learning and engage fully in school activities without the distractions caused by cell phones. We aim to create a productive learning environment that promotes academic success and personal development for every student.

Students will not be permitted to use or display cell phones during school hours. This includes classrooms, hallways, restrooms, and any other areas within the school premises. Cell phones must be turned off and out of sight. Cell phones can be stored in lockers or designated areas upon arrival at school and may only be retrieved at the end of the school day.

In case of an emergency, students may use the school office phone or request permission to use their cell phones under supervision. Parents needing to contact their children during school hours should call the school office at 970-488-5400 and messages will be relayed promptly.

Parent Partnership

The Kinard Parent Partnership is a group of dedicated parent volunteers who are an integral part of the success of our school. We have a variety of opportunities for parent involvement, and many of our events depend heavily on the dedicated efforts of our parent community. Examples of ways parents can contribute are by coordinating appreciation activities for our staff, creating common area bulletin boards, serving students in our media center, and helping at events (i.e. the September 5 social event, registration, conferences, incoming 6th grade family night, vision and hearing testing, 8th grade celebration, yearbook distribution, and last day picnic).

We are holding a kick-off meeting for all interested parents at 8:30 a.m. on Thursday, August 22 in our media center. The purpose of this meeting will be to communicate about our planned activities and elicit parent volunteers. We will also spend time planning the social event to be held on September 5. If you are unable to attend but would like your name to be included on our potential volunteer list, please email Cecilia Bonertz, Academic Dean, at cbonertz@psdschools.org.

School Safety Protocols

Code of Conduct – As part of registration, you will electronically acknowledge through Parent/StudentVUE that you have read the 2024-25 Student Rights & Code of Conduct. Before completing this important form, please make time to review the PSD academic and behavioral expectations with your child in PSD's [Student Code of Conduct](#). Additional paper copies of the Code of Conduct are available at each school, at the Johannsen Support Services Center, or on the PSD website.

Meet Our School Resource Officer

Kinard's SRO is Officer Kate Garcia. School Resource Officers are certified police officers based at district middle and senior high schools. The goals of the School Resource Officer program are to:

1. Provide a safe learning environment and help reduce school violence;
2. Improve school and law enforcement collaboration; and
3. Improve perceptions and relations between students, staff, and law enforcement officials.

Kinard Traffic Expectations-

1. Thank you for obeying the **speed limit on Trilby (25 MPH)**
2. **No U-Turns on Trilby** - Please proceed westbound and utilize the round-a-bout if you need to turn back towards Ziegler Rd.
3. **Eastbound traffic on Trilby turning left** into the south parking lot should **fully merge into the center lane and yield between the cones** ensuring that the thru lanes are clear at all times.
4. **Please do not drop off or pick up students on Trilby or Ziegler Roads.** Instead, please help our community to stay safe and minimize driver frustrations by picking up your child inside of our traffic oval, just outside of the main entrance to our school.
5. **During afternoon pickup**, please survey and **fill all parking stalls** in the south parking lot prior to queuing on the shoulder of Trilby Rd.
 - If you are waiting to pick up your child curbside, please make sure that your wheels are fully in the gutter as far away from the thru lane as possible.
 - Please do not stop your vehicle and wait to pick up your child in between the lines of parked cars. This creates an unsafe

Kinard Middle School

situation for children crossing in front of other cars driving in the thru lanes.

- If queued on the north side of Trilby Rd., please move with the traffic entering the oval. Do not stop and wait for your child on Trilby Rd., as it blocks cars from entering the oval.
6. Please **do not enter the north parking lot** in the back of the school to pick up your children. This curb is marked for emergency vehicles and buses only.

Morning Drop-Off Expectations

Upon entering the Kinard oval, you will notice two lanes along the oval. If you are dropping off your child, you must stay on the outside lane. The inside lane is a drive-thru lane that facilitates afternoon pick-up and allows for parents to enter the parking lot for parking only.

Drive along the oval and as far west as possible, up past the music entrance, before dropping off students. If the traffic inside the oval comes to a stop, and you are next to a sidewalk, you will drop off your child, and they can use the sidewalk to walk to the main doors without risk.

Afternoon Pick-up Expectations

You may wait along either the Kinard oval, E. Trilby, or the south parking lot. School ends at 3:10 p.m. Many parents begin arriving at 3:00 p.m. Once you're parked and it is after 3:10 p.m., use cell phones to communicate your location with your child. As traffic begins to move, make sure you are moving with traffic entering the oval. Do not park and wait along the north side of Trilby Rd. as this blocks cars from entering the oval. Once you have picked up your child, you may use the drive-thru lane to move around the oval. No U-turns and electronic devices after the pick-up (safety first).

School Zone

For the safety of us all, please remember that Kinard has a **20 MPH school zone** running north and south of Trilby/Lady Moon before and after school.

Crossing Guards/Supervision

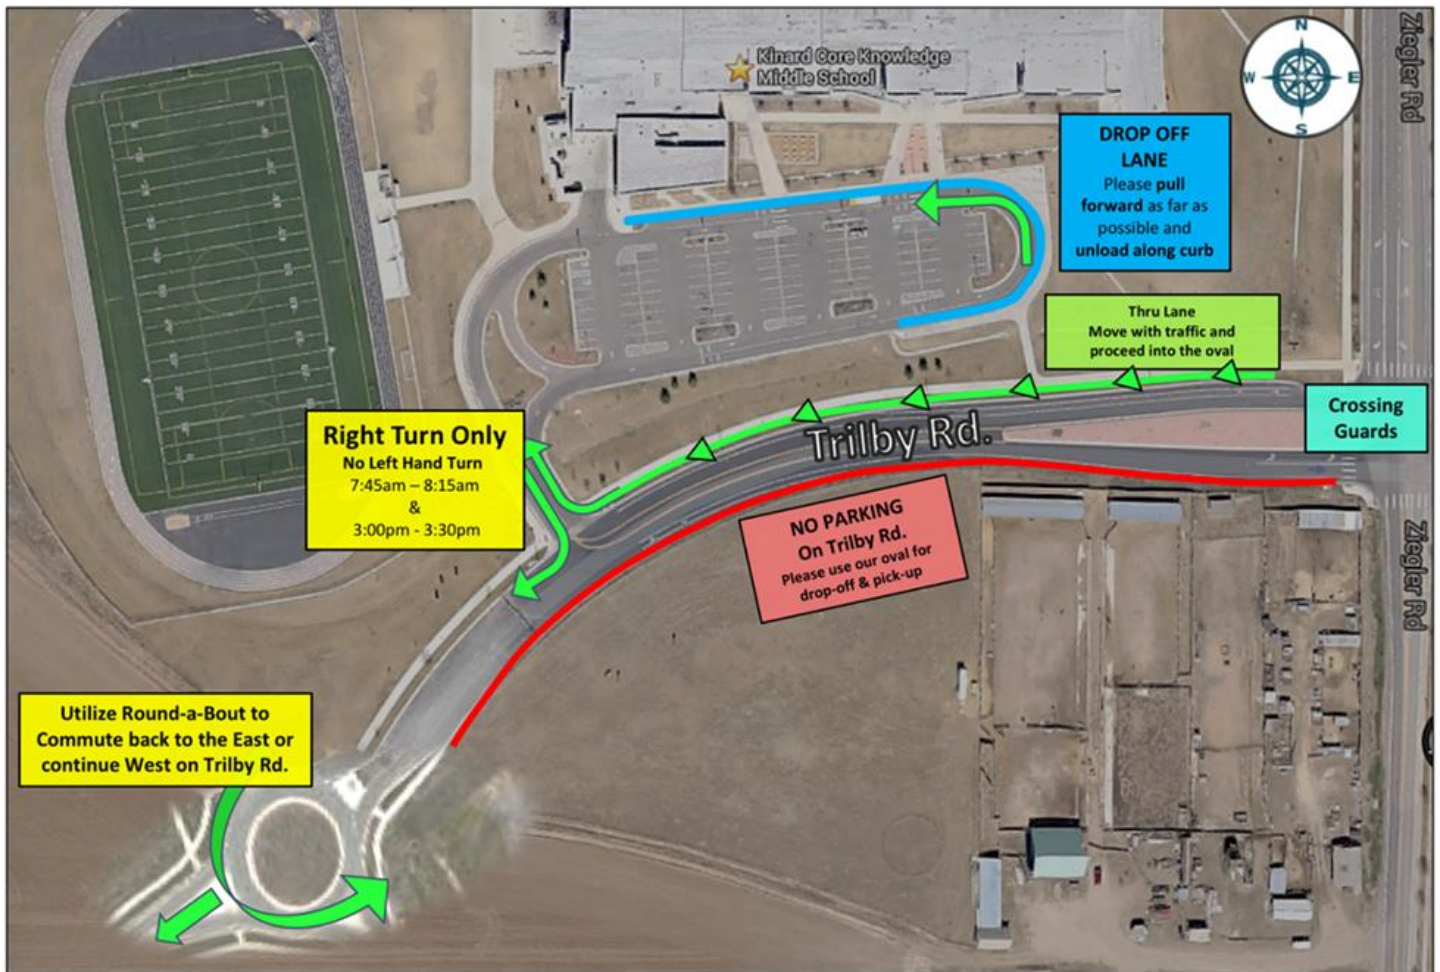

Kinard staffs four crossing guards, who are present at the intersection of Trilby and Ziegler in the morning and afternoon, to support students safely crossing the street. Please follow their directions to make safety the top priority.

School Safety Protocols

Kinard staff will be present in the mornings and afternoons to supervise students, to help keep the process flowing smoothly, and to assist students and parents in crossing the street at the crosswalks leading into the south parking lot. Students need to be dropped off along the sidewalk where they do not have to cross the street when possible. **Please remember that Kinard staff are not trained traffic directors, they are simply there to help facilitate student safety.**

Athletic Game Parking – All parking for athletic games is located in the north oval and grass field. There is an access ramp that is marked by cones, signage, and personnel on most game days.

Bicycles – Students are encouraged to walk or ride their bikes to Kinard. There are bike racks available for students who ride to school. The bike racks are located on the south side of the school building on the sidewalk. We encourage students to ride their bikes to school and to wear a helmet.

School Lunches

We are excited to share that all students will once again receive **one free breakfast and lunch daily** in 2024-25 through the Healthy School Meals for All program! This statewide program started last year and is helping Colorado children and teens have access to nutritious food at our school. Students will still need to pay if they want additional, supplemental items (for example, bottled water). You can add money for these items to your student's account via [SchoolPay](#).

Even though breakfast and lunch will be provided for free, we need families to **continue sharing household income information** through the Free and Reduced Meal Benefits form in order for our district to receive full access to federal funding. These additional funds will go directly back to Poudre School District to help cover the cost of meals and other nutritional programs. Plus, families who qualify may receive discounted school activity fees, community activity fees, utilities support and more! As always, all household income information will be kept confidential, and protected by law. Immigration, migrant, citizenship or refugee status is not required when completing the form.

Be sure to fill out the Free and Reduced Meal Benefits form as part of your back-to-school registration! If you have questions or would like additional support, please reach out to Child Nutrition at 970-490-3557 for more information.

- Free and Reduced-Price Meal Application: Families can apply online at <https://www.myschoolapps.com/Application> or pick up a paper application at your child's school. Applications must be completed annually to stay registered for the program. Your child's free or reduced-price meal eligibility status is confidential.
- Once approved for free and reduced-priced meals, complete PSD's Permission to Share Information for Fee Waivers and Programs to Receive Goods and Services Form. This form is available online through the [PSD ParentVUE portal](#). Completing this form gives PSD's Child Nutrition Department permission to share your child's eligibility status with other district officials. These officials must also maintain confidentiality of your child's eligibility status. *You must fill out the Permission to Share form each year.*

Biometric Screening Information

- This will be the second year that all PSD schools will use a biometric scanning system in the cafeteria. The biometric screening system uses finger scanning technology to count how many students receive school meals; this count is required by the USDA. The system does not store a picture of a student's fingerprints and is only used to count meals served.
- Data collected is maintained locally by the PSD Information Technology Department, and none of the information in the system is sent externally or stored on the internet. Plus, the system helps ensure students get through lines more quickly to receive school breakfast and lunch – both of which will remain free of charge this year.
- A parent or guardian can opt a student out of biometric screening by completing a form on ParentVUE.
- Please send any questions to tperez@psdschools.org.

Health Office News

This is an overview of required immunizations, immunization exemptions, ParentVUE, and any medications (if needed) for Kinard's health office.

At Kinard's registration in early August, please bring:

6th graders: a copy of your students most updated immunization record to reflect having received the required TDAP vaccine or your completed immunization exemption certificate or form*

7th & 8th graders: if you are new to Poudre School District, please bring a copy of your students most updated immunization record or your completed immunization exemption certificate or form*. If immunizations were 100% complete for your student in 6th grade, you are most likely 100% complete for 7th & 8th grade.

Health Office News*continued***IMMUNIZATIONS**

Colorado law requires students who attend a public, private, or parochial kindergarten through 12th grade school to be vaccinated against many diseases vaccines can prevent, unless a certificate of exemption is filed.

Your student must be vaccinated against:

- ◇ **Diphtheria, tetanus, and pertussis (DTaP, DTP, Tdap)**
- ◇ **Hepatitis B (HepB)**
- ◇ **Measles, mumps, and rubella (MMR)**
- ◇ **Polio (IPV)**
- ◇ **Varicella (chickenpox)**
- Colorado follows recommendations set by the Advisory Committee on Immunization Practices.
 - ◇ Students entering kindergarten must receive their final doses of DTaP, IPV, MMR and varicella.
 - ◇ **Students entering 6th grade must receive one dose of Tdap vaccine, even if they are under 11 years of age.**
 - ◇ If you cannot get in to see your doctor before school starts, you can also get the required immunization at Walgreens, King Soopers, and Costco, etc. For more information on immunizations, please visit the following links: [Tdap Vaccine Information, Colorado Department of Health and Environment Letter](#), Poudre School District [Immunizations](#)
 - ◇ All recommendations are on the [Centers for Disease Control vaccine schedule web page](#).
- Vaccines are recommended for hepatitis A, influenza, meningococcal disease, and human papillomavirus, but are not required.

IMMUNIZATION EXEMPTIONS

If you choose not to vaccinate your student with any of the required immunizations above, you must submit a new nonmedical exemption every school year starting July 1st and bring a copy of the completed certificate to Kinard during registration in August. Visit <https://www.colorado.gov/cdphe/vaccine-exemptions> for more information and to download the certificate or to complete the online education module.

*There are **two** different ways to submit a **nonmedical** exemption to any Colorado school:

1. **Submit** the Certificate of nonmedical exemption **WITH** a signature from an immunizing provider who is a medical doctor, Doctor of Osteopathic Medicine, advanced practice nurse or delegated physician's assistant.

OR

2. **Submit** the Certificate of nonmedical exemption received upon the completion of CDPHE's Online Immunization Education Module (Print out). If you submit a Certificate of nonmedical exemption on or before June 30th, it will not be valid for the upcoming school year.

PARENTVUE

You can view most of your student's health record on [ParentVUE](#) on the website or ParentVUE app. If you have not accessed ParentVUE this school year, you will need to wait until August.

In [ParentVUE](#) – under Health:

- You can view [Nurse Visits](#) – how many times your student has visited the health office.
- You can view [Health Conditions](#) – anything you need to add/change here, you can do so at the beginning of the school year or anytime during the school year, and we highly recommend you update this information with us annually.

MEDICATION

If you need forms for any health condition for the upcoming school year, please visit the [Poudre School District's Health Services for Students website](#). Review and print from **Medications and Health Care Guidance Plans (HCAPS)** under Quick Links on the right side. If your student is managing a specific health condition, you will find resources and required forms available in the specific sections as you scroll down the web page.

Medication Forms:

[Authorization to Administer Medicine](#) is a 1-page form used to have meds stored in the health office at Kinard and staff will administer daily or as-needed; if a HCAP applies (see the applicable conditions bolded below) – please turn it in with the authorization med form.

Health Conditions, Plans and Medications:

Self-carry is allowed and encouraged in middle school for emergency medications only, such as rescue asthma Inhalers, EpiPens (or any Epinephrine injector), Benadryl, etc. (severe allergic reactions only), Baqsimi, seizure meds, etc. Some families have their students self-carry their med (backpack/locker/PE locker for after school activities, clubs, athletics, field trips, walking home, etc.) and store a second med in the health office.

[Carry and Self-Administer Asthma/Allergy Medicine](#) is a 2-page form for a student to self-carry their own emergency or urgent medications {pending nurse approval}. Please turn this in with the appropriate HCAP – every HCAP also has a **self-carry section/box that needs to be checked**.

- Allergies & Anaphylaxis HCAP
- Asthma HCAP
- Diabetic HCAP
- Headache/Migraine HCAP
- **Seizure HCAP** (not a self-carry box on the form, please use the Carry and Self-Administer Prescribed Medicine at School or School-Sponsored Activity form)

The self-carry medication **does not** get turned into the health office, just the med form(s) and a copy of the RX label. Kinard staff is delegated every school year to help or administer a self-carry EpiPen or any Epinephrine injector.

New health/medication paperwork is needed every school year (nothing is saved from the previous school year) and should be filled out by your healthcare provider and dated after July 1st. The completed paperwork (double check all the required signatures – front & back if needed) and medication (double check expiration dates {we cannot accept expired meds}) can be turned into Kinard’s health office at the beginning of the school year.

If you have any questions regarding immunizations or health needs for Kinard during the upcoming school year, please contact:

Mustang Fall Athletics

With the school year fast approaching, we are excited to gear up for fall athletics at Kinard! The fall sports offerings include cross country, football, tennis, and volleyball. Please feel free to reach out to one of our head coaches or our athletic director at any time.

To see a list of all athletic opportunities, be sure to check out the [PSD Middle School Sports Season Timelines](#). A more comprehensive look at our sports offerings, including coaches names and contact information can also be found on our [Kinard Athletics Website](#). For 6th grade students, PSD offers athletic participation for cross country, golf, tennis, wrestling, and track and field. For all other sports at the 6th grade level, programming is offered through the [City of Fort Collins Recreation Department](#).

For all middle school sports, student athletes must be registered through SportsEngine, must have a current physical on file at Kinard, and must have paid the \$140 registration fee through [SchoolPay](#). Coaches will not be able to let student athletes participate in tryouts or practice without these three steps completed. For detailed information on how to complete each step, [please visit our registration page by clicking here](#).
