## ENGLISH

### LA610 English/Language Arts 6 Core Knowledge

Year Long

**Prerequisite: None**

The English component of this course addresses Core Knowledge topics, in combination with the four main Colorado Reading, Writing, and Communicating Standards (Oral Expression and Listening, Reading for All Purposes, Writing and Composition, and Research and Reasoning). This class will include topics in alignment with Core Knowledge: Latin and Greek words, poetry, *The Iliad* and *The Odyssey*, *Julius Caesar*, classical mythology, sayings and phrases, *The Prince and the Pauper*, and literary terms. Students will apply correct grammar, mechanics, and spelling to all genres of writing. Students will be exposed to and analyze various levels of poetry. In addition, they will use critical reading skills, applying those skills to different genres. Outside reading and writing is also a requirement for this course. For students who consistently demonstrate interest and ability to manage advanced work in Language Arts, advanced level options will be made available on a case-by-case basis.

The technology component of this course will focus on 21<sup>st</sup> century computer skills necessary for students to be successful in middle school and beyond. Students will learn information literacy skills including electronic research and internet search techniques. Topics include proper citation and bibliography, word processing, Google applications, Internet safety, online collaborative applications, and multi-media presentation skills integrated with the core curriculum.

## HISTORY

### SS630 Social Studies 6 Core Knowledge

1<sup>st</sup> Semester/Daily

**Prerequisite: None**

In 6<sup>th</sup> grade, Core Knowledge content will be delivered in a manner which thoroughly addresses Colorado Academic Standards in history, geography, civics, and economics. The curriculum begins with a study of ancient civilizations introduced in earlier grades in the Core Knowledge Sequence. Topics include the civilizations of ancient Greece and Rome, the Enlightenment and French Revolution, immigration, and the Industrial Revolution. The focus in 6<sup>th</sup> grade is on the legacy of enduring ideas from these civilizations – ideas about what makes a civilization succeed or fail, how geography affects people, and how resources impact a society positively and negatively. 6<sup>th</sup> grade social studies emphasizes skills such as reading and analyzing texts and maps, applying critical thinking strategies, and using evidence to support claims. For students who consistently demonstrate interest and ability to manage advanced work in social studies, advanced level assignments, expectations, and assessments will be made available on a case-by-case basis.

# SIXTH GRADE 2020 - 2021

## COURSE DESCRIPTIONS

### SCIENCE

#### SC628 Science 6 Core Knowledge

2<sup>nd</sup> Semester/Daily

**Prerequisite: None**

Core Knowledge topics are integrated with state science standards in this class. Students will begin by reviewing scientific processes and methods with hands-on activities and labs. Next, a unit on plate tectonics will explore the rock cycle, earth's layers, plate movements, volcanoes, earthquakes, and evidence of long-term movement of the earth's plates. Following plate tectonics will be a unit on the oceans of the earth. This unit will include ocean floor features and life zones, currents, tides, and marine life. The next unit will cover concepts related to meteorology, including the water cycle, weather, climate, seasons, and climate change. To end the year, students will delve into astronomy, paying particular attention to the role of gravity in our solar system, stars, moon phases and eclipses, and galaxies. For students who consistently demonstrate interest and ability to manage advanced work in science, advanced level assignments, expectations, and assessments will be made available on a case-by-case basis.

### MATHEMATICS

#### MA640 Math 6

Year Long

**Prerequisite: None**

Math 6 is based on the 6<sup>th</sup> Grade Common Core State Standards, as embedded within the Colorado Academic Standards. These standards define what students should understand and be able to do. The 6<sup>th</sup> grade standards focus on five critical areas: (1) understanding and applying ratios and proportional relationships; (2) understanding division of fractions; (3) extending an understanding of numbers to the full system of rational numbers, including negative numbers; (4) writing, interpreting, and using expressions and equations; and (5) developing understanding of statistical thinking. Upon successful completion, students will progress to Math 7 or Math 7/8 (with supporting data and teacher recommendation).

#### MA745 Math 7/8

Year Long

**Prerequisite: Math 6 or teacher recommendation based on data and observations**

Math 7/8 is based on the 7<sup>th</sup> Grade Common Core State Standards and approximately half of the 8<sup>th</sup> Grade Common Core State Standards, as embedded within the Colorado Academic Standards. These standards define what students should understand and be able to do. The 7<sup>th</sup> grade standards focus on six critical areas: (1) understanding and applying proportional relationships; (2) operating with rational numbers; (3) working with expressions and linear equations; (4) solving problems involving scale drawings and informal geometric constructions; (5) working with two- and three-dimensional shapes to solve problems involving area, surface area, and volume; and (6) drawing inferences about populations based on samples. The 8<sup>th</sup> grade standards included in this course focus on five critical areas: (1) using rational numbers to approximate irrational numbers; (2) working with integer exponents and scientific notation; (3) connecting proportional relationships and linear equations; (4) solving linear equations; and (5) extending work with shapes to congruence, similarity, and volume of cylinders, cones, and spheres. Upon successful completion, students will progress to Math 8 or Algebra 1 (with supporting data and teacher recommendation).

# SIXTH GRADE 2020 - 2021

## COURSE DESCRIPTIONS

### THE ARTS

**2570MS Beginning Band 6** **Year Long**

**Prerequisite: None**

The 6th grade Core Knowledge Music requirements of both elements of music and music history will be taught through performance in band. Instruments taught in the summer music program and at the beginning of the school year are limited to: flute, clarinet, trumpet, horn, trombone, tuba, and percussion. Interested students are selected to play bass clarinet, saxophones, oboe, or bassoon later in the school year.

*Band Instrument Placement is Saturday, April 4, 2020 during the day.*

Specific placement night information will be mailed home by mid-March 2020.

**2649 Choir 6 Core Knowledge** **Year Long**

**Prerequisite: None**

The 6th grade Core Knowledge Music requirements of both elements of music and music history will be taught through performance in choir.

**2580MS Beginning Orchestra 6** **Year Long**

**Prerequisite: None**

The 6<sup>th</sup> grade Core Knowledge Music requirements of both elements of music and music history will be taught through performance in orchestra. Instruments taught in the summer music program and in 6<sup>th</sup> grade orchestra are: violin, viola, cello, and string bass.

*Orchestra Instrument Placement nights are March 30 and 31, 2020 after school hours.*

**1089 Visual Arts 6 Core Knowledge** **Semester**

**Prerequisite: None**

Students come to Kinard from many elementary schools. Our goal in 6<sup>th</sup> grade is to give all students a common base of art knowledge and skills. The 6<sup>th</sup> grade visual arts class focuses on the fundamentals of art: elements of art (line, shape, space, form, color, value, and texture) and principles of design (balance, rhythm, unity, emphasis, movement, pattern, and contrast). Students will relate the visual arts to cultural and historical events through the Core Knowledge Sequence.

### HEALTH AND WELLNESS

**3587 6<sup>th</sup> Grade Comprehensive Health & Physical Education** **Semester**

**Prerequisite: None**

Students will deepen their knowledge and understanding of the Colorado State Health and Physical Education standards which include: (1) movement competency and understanding, (2) physical and personal wellness, (3) social and emotional wellness and (4) prevention and risk management. Physical Education will focus on utilizing a variety of resources and strategies for physical and social wellness goals by realistic goal setting, cooperation, and movement strategies for simple games. Comprehensive Health will concentrate on what it takes to be healthy, by focusing on the following topics: goal setting, conflict resolution, personal healthcare, decision making, dealing with emotions, and injury prevention.

# 6<sup>th</sup> GRADE MATH PLACEMENT INFORMATION

For current PSD (in-district) students, placement is determined using the following tools:

- 5<sup>th</sup> grade math placement
- 5<sup>th</sup> grade Accelerated Math readiness score
- 5<sup>th</sup> grade spring math MAPS score
- 4<sup>th</sup> grade math CMAS score
- Data, observations, and recommendations from current math teachers (gathered by Kinard staff)

For out-of-district students ONLY, Kinard staff will contact families in the spring of 2020 to determine placement. Additional assessments and dates will be communicated at this time.

Please contact Cecilia Bonertz, Math Department Leader, at (970) 488-5420 if you have a specific math placement question. Parents will be mailed their child's math placement by May 22, 2020.

# 6<sup>TH</sup> GRADE MUSIC PLACEMENT INFORMATION

**Philosophy:** At Kinard, art and music are part of the core curriculum along with English, history, math, and science. All 6<sup>th</sup> and 7<sup>th</sup> grade students are required to take art and music.

*“The arts are not a peripheral part of the curriculum, but an essential part of the knowledge children should learn in the early grades...”*

...Through attaining a basic knowledge of the arts, children are not only better prepared to understand and appreciate works of art, but also to communicate their ideas, feelings, and judgments to others. A good understanding of the arts grows out of at least three modes of knowledge- creative (i.e., directly making artworks), historical, and analytical. Early study in the arts should embrace all three modes with special emphasis on creativity and active participation.” - *The Core Knowledge Sequence Content Guidelines*

**Music:** Music is required at Kinard Core Knowledge Middle School. Students who want to sing should join the choir; students who want to learn to play a musical instrument should join the Beginning Band or Beginning Orchestra. Placement nights will be held in late March and early April to help students choose a musical instrument. Students interested in saxophone must start on clarinet. Percussion will have an individualized audition time for assessing placement.

## **Band and Orchestra Placement Nights**

Placement nights are fun and informative evenings for students and parents. At the placement nights, students play all instruments available to them at Kinard and select their top choices. All students who sign up for band or orchestra will receive a letter via mail in mid-March inviting them to the placement nights.

**Placement Night Dates:** *Orchestra* ♪ March 30<sup>th</sup> and 31<sup>st</sup> after school hours  
*Band* ♪ Saturday, April 4<sup>th</sup> during the day

*Students interested in **percussion** must attend **both** the April 4<sup>th</sup> placement and the percussion audition night of April 9<sup>th</sup>, 2020 after school hours.*

**Letters for your specific Placement Night Information will be mailed home by mid-March 2020.**

# 6<sup>TH</sup> GRADE MUSIC PLACEMENT INFORMATION

## Summer Music Information (Band and Orchestra)

The summer music program is a vital part of our program and it is very important for your students to attend as much of the program as possible. The summer music program is where your students learn how to assemble, play, and properly care for their instruments with instruction from professional music teachers.

**Summer Music Dates      SAVE THE DATE: (tentatively) July 20<sup>th</sup> – August 7<sup>th</sup>, 2020**

## Frequently Asked Questions

- *My child has played piano and studies it privately. What options are there for piano?*  
Piano players can choose to learn a second instrument in the band or orchestra or to sing in the choir. Piano players tend to become our best instrumentalists and singers because of their prior training. Occasional piano playing opportunities may exist within the music department.
- *My child has played guitar and studies it privately. What options are there for guitar?*  
In 6<sup>th</sup> grade, guitar players can choose to learn a second instrument in the band or orchestra or to sing in the choir. Many guitarists choose to play a new instrument in the orchestra because of the similarities between stringed instruments.
- *My child would like to play saxophone. Is it true they need to start on clarinet?*  
Yes. All students interested in playing saxophone will start on clarinet. Select students will then switch to saxophone halfway through their 6<sup>th</sup> grade year.
- *My child cannot decide which music choice to pick. What should we do?*  
Have your child attend both the band and orchestra placement nights to see how they like playing instruments. This typically helps students decide if they want to sing, or play in the orchestra or band.
- *My child has been taking private lessons and is not a beginner. For which class should we register?*  
All 6<sup>th</sup> graders must register for 6<sup>th</sup> grade band, choir, or orchestra. Because of our schedule, all 6<sup>th</sup> graders take encore classes while 6<sup>th</sup> grade teachers have a planning period. Students will have opportunities for advanced placement in 7<sup>th</sup> and 8<sup>th</sup> grade. Please inform Mr. Perez or Mrs. Griffey via email if your 6<sup>th</sup> grader has prior experience playing a band or orchestra instrument.

# 6<sup>th</sup> GRADE WORLD LANGUAGE PLACEMENT INFORMATION

## Do all students take a World Language course in 6<sup>th</sup> grade?

- **In 6<sup>th</sup> grade, World Language is optional** and by application only (see pages 13-17). Notification of World Language Acceptance will occur by April 24, 2020 by mail.
- **In 7<sup>th</sup> grade, World Language is required.** Every student who has not already begun a World Language will do so in 7<sup>th</sup> grade.

## Which World Language courses are available for 6<sup>th</sup> grade students?

- Incoming 6<sup>th</sup> grade students may select either Spanish 1A or French 1A. All World Language courses are full year courses.
- There is an application process to be completed; see pages 13-17.
- **All applications are due Friday, February 21<sup>st</sup>, 2020 at Kinard.**

## What is available for 6<sup>th</sup> grade students who do not start a World Language?

- Students that are not taking a World Language will be in an Extended Learning Opportunity class (ELO). Extended Learning Opportunity (ELO) is similar to an advisory or study hall period; students are given opportunities for homework completion, peer tutoring, individualized work time, enrichment, and additional teacher support.

Please contact Mary Beth Fischer, World Language Department Leader, at (970) 488-5466 or [mfischer@psdschools.org](mailto:mfischer@psdschools.org) if you have specific World Language placement questions.

### APPLICATION PROCESS:

- The Kinard 6<sup>th</sup> grade team (teachers) will process all applications that are submitted.
- To be considered for acceptance into this class, students must meet all the requirements listed below, complete **all parts** of the application and turn in the completed application by **Friday, February 21, 2020**.

### CRITERIA FOR ACCEPTANCE INTO THE 6<sup>TH</sup> GRADE 1A WORLD LANGUAGE PROGRAM

1. **Standardized Test Scores:** To be eligible for the 6<sup>th</sup> grade 1A program, all students **must be** proficient or advanced on all of the standardized tests in the areas of reading, writing, and math: **CMAS, MAPS, DRA 2, and /or SRI**. You **do not** need to provide test scores; Kinard World Language teachers will verify 4<sup>th</sup> grade test scores prior to acceptance into the program. 5<sup>th</sup> grade test scores will be reviewed in August of 2020. If a student was originally accepted to the World Language program based on their 4<sup>th</sup> grade test scores, but are no longer proficient in reading and writing based on their 5<sup>th</sup> grade test scores, they may be placed in an ELO class in the fall to better support him/her in all content areas.

**Please submit all the requirements below to Kinard Middle School as part of the completed application.**

2. **Standardized Test Scores:** *If you are not currently a PSD student*, please attach a copy of your most recent Standardized Test Scores to this application, such as CMAS, MAPS, DRA 2, SRI, etc.
3. **Transcript/1<sup>st</sup> Trimester Report Card:** Please provide a copy of your most recent report card stapled to this completed application page.
4. **Statement of Interest:** Student should respond to the prompts on page 14 to indicate why you would be a good candidate for the 6<sup>th</sup> grade 1A World Language course.
5. **Teacher Evaluation:** Please have your fifth grade teacher complete the attached *confidential* form. **Do not attach the completed Teacher evaluation to this page. The form will be sent by the 5<sup>th</sup> grade teacher directly to Kinard. See page 17 for instructions.**

**STUDENT AND PARENT COMMITMENT**

- The 6<sup>th</sup> grade 1A World Language course is designed for the student who has strong reading, writing, and math skills.
- In addition, it is designed for the student who wants to explore a world language in more depth and who can work in a self-directed manner.
- Students in the 6<sup>th</sup> grade 1A World Language course will have daily homework assignments and will be expected to complete and turn in all assignments.
- Students will also be expected to perform at a high level of quality and show initiative in approaching open-ended assignments. They should be prepared to actively participate in class discussions and activities.
- This class will challenge the student who has a passion to learn how to communicate in the target language. Students should expect to read, write, listen, and speak in the target language, while applying the required grammatical concepts and vocabulary.
- Students will be expected to maintain high academic standards in all classes. Student enrollment in 6<sup>th</sup> grade 1A World Language will be reevaluated at the end of each quarter in order to ensure an ongoing commitment to high academic standards.
- The 6<sup>th</sup> grade World Language courses will take place during the ELO class period. ELO (Extended Learning Opportunity) is similar to an advisory or study hall period; students are given opportunities for homework completion, peer tutoring, individualized work time, enrichment, and additional teacher support. Students taking a 6<sup>th</sup> grade World Language class will not have an ELO class, except on Wednesdays, and may need to work with their teachers during lunch or before/after school to complete makeup work or assessment retakes.

**STUDENT:** If I am accepted into the 6<sup>th</sup> grade 1A World Language class, I agree to complete all assignments on time and at a level of high quality, to actively participate in class discussions and activities, and to show initiative in all aspects of this class. I understand that I will take French/Spanish in place of an ELO class.
